

### Internal Reviews 2006

An Internal Review is conducted when an applicant appeals against the original decision. The Internal Review panel consists of the Deputy Chief Constable, a member of Staffordshire Police Authority and an Independent Local Decision Maker.

The Public Interest Test (PIT) is applied so that a full rationale can be given for why a release of information is, is not, in the Public Interest.

<b>DATE REQUEST RECEIVED</b>	<b>DETAILS OF REQUEST</b>	<b>DATE OF INTERNAL REVIEW</b>	<b>INTERNAL REVIEW OUTCOME</b>	<b>ESTIMATED TIME TAKEN</b>
30/03/06	Request copies of all statements, photographs and video evidence relating to the death of their son	20/06/06	Original decision upheld by the panel not to provide the information	4 hours
19/04/06	Request the amount of money spent by Staffordshire Police on paying informants for each of the last five years. The number of registered informants. Please be aware that I accept the sensitive nature of this inquiry and am not about to ask for names of people concerned or the details of individual payments and I can see no reason for this information not to be released	20/06/06	Original decision upheld by the panel not to provide the information	12 hours
26/05/06	I wish to receive all photographs of and expert witness statements relating to the footprints found in or around the property of 34 Shirburn Road, Leek following the assault on Ada Hopkinson on March 17/18 2005. I understand that this case is not active and so releasing the information cannot be considered sub judice. I would be interested in any information Staffordshire Police holds with regards to my request.	14/09/06	Original decision upheld by the panel not to provide the information	42 hours
