

Freedom of Information request on police misconduct hearings in your force since 31 January 2017

Please can you provide me with the following information on misconduct allegations within your force? I have laid it out in a table below for clarity but please feel free to provide the data in another format if needed. If the categories asked here are not recorded in exactly the same categories as requested here, please supply the information from your closest equivalent data categorisations. Thanks so much.

Please supply all data on police misconduct and gross misconduct hearings in your police force since January 2017, as follows:	All	Cases where the officer accused was B.A.M.E. (or other categories of ethnicity if the data is stored differently)	Cases where the officer accused was female (or whichever sex or gender data categories are available)	Cases where the officer accused was B.A.M.E and female (or whichever ethnicity or sex and gender data is available)
Misconduct Total misconduct hearings since Jan 2017	29	Nil	6	Nil
