Thank you for your recent request under the Freedom of Information Act 2000, as detailed below:**

Freedom of Information request on police misconduct hearings in your force since 31 January 2017.

*Please can you provide me with the following information on misconduct allegations within your force?
I have laid it out in a table below for clarity but please feel free to provide the data in another format if
needed. If the categories asked here are not recorded in exactly the same categories as requested here,
please supply the information from your closest equivalent data categorisations.*

See the attached table for details.

**Staffordshire Police's response to your enquiry is as follows:
Staffordshire Police does hold some of the requested information.**

**Please see the attached document 'FOI 14442 Misconduct Hearings Data'.
I have used your template but please note that all misconduct matters are dealt with at
misconduct hearings (including gross misconduct), we do not carry out 'gross misconduct
hearings'. I have therefore removed this section from the template.**
