Request - You asked us the following:

Please provide in spreadsheet format the following data:

1. Broken down by month and type of hate offence (e.g. disability, Christianity, Islam, Judaism, sexual orientation, transgender identity, alternative subculture, and any other listed category), every hate crime and non-crime hate incident recorded by your force in the following years: 2019, 2020, 2021, 2022, 2023 and 2024 (up until 31 October).
2. For every recorded offence in the same period, (i) the exact nature of the actions or words used, (ii) where it was carried out (either a location such as school, workplace, street etc, or a specific social media platform/internet website), and (iii) the age of the perpetrator.
3. For each recorded offence in the same period, the action taken by police and outcome of the offence (e.g. £50 fine, no further action, et cetera, sent for prosecution, et cetera).

We received your request on 27/11/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can easily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 9,900 related occurrences, in order to ascertain the actions or words used and the location i.e. school, workplace, street etc, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 660 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

To assist in refining your request, data can be provided for question 1 in full. Data can also be provided for whether the offence took place online, the age of the suspect and all outcomes.
