

19 December 2024

FOI Ref 17567

Request - You asked us the following:

Our request is to provide a statistical figure for the number for calls for service (calls to police from the public) in relation to fox hunting (traditional red coat hunting only if possible).

The time period will be: on or after 01/08/2024 to (including) 31/10/2024.

Second figure (if possible) is to provide a statistical figure for the number of times police officers attended a call for service for this type of activity.

CLARIFICATION RECEIVED ON 13/12/2024

It has been pointed out by another force that my request may not be quite right as Calls for service relates only to when police attend, and not when public call to report an incident. Also the system of recording is likely to not have a code or category for hunting so may need to have search terms.

Therefore....

I would like to ask if I can expand the search to cover calls from the public (not just calls for service - thank you for the explanation)

Keep the dates the same please
