FOI Ref 17349

Request - You asked us the following:

Do you collect data for arrests made at Uttoxeter Racecourse? If so, can you share the past 5 years' arrest figures?

How many incidents of drug confiscations occurred at Uttoxeter Racecourse in the past five years?

We received your request on 10/10/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemptions have been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

This is because on 20th May 2020 Staffordshire Police implemented a new case management system. This system brought data from a number of legacy systems into one to provide a single nominal record, including the custody system. The old custody system has now been decommissioned and as a result there is no search facility to be able to retrieve the requested data. It would entail searching thousands of records to establish if it fitted the criteria of the request. To achieve this task would exceed the 18-hour time and cost threshold stipulated by the FOI Act.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data can be provided from 20th May 2020 for the total number of arrests made where the location is recorded as 'Uttoxeter Racecourse'. Likewise, we can provide data on where a drug qualifier has been applied, broken down by year. However, please note further exemptions may apply.
