CLARIFICATION RECEIVED 13/11/2024

We want to know how many dogs/XL Bullies Staffordshire Police has ordered to be put down.

We received your request on 21/10/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer question 1 and 2 of this request. For the time period requested there has been over 970 incidents, where the incident log includes 'dangerous dog'. Furthermore, no specific field exists for an XL Bully therefore each incident log would require a manual review to determine whether an XL Bully was mentioned within the main body

of the log. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 80 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data could be provided for Q3 and Q4. Furthermore, we could provide the data for Q5 for the cost for all euthanised dogs. However, please note the data could only be provided from 01/02/2024. (when information is held from)

Please be advised, we do not record costs of seized dogs and cost to euthanise an XL bully.
