

7 November 2024

FOI Ref 17399

Request - You asked us the following:

I would like to request the following information in relation to collisions at the crossroads on the A521, near the Huntsman pub, Cheadle, where the following roads meet:

Draycott Cross Rd, Delphouse Rd, Brookhouse Rd and The Green

1. How many collisions have Staffordshire Police attended at this specific location between: 23 Oct 2023 and 22 Oct 2024, 23 Oct 2022 – 22 Oct 2023, 23 Oct 2021 – 22 Oct 2022, 23 Oct 2020 – 22 Oct 2021, 23 Oct 2019 – 22 Oct 2020.
2. How many of these collisions were KSI collisions (killed or seriously injured)?
3. How many of the collisions in the time periods outlined above resulted in action being taken against the drivers – and for what offences?
4. How many collisions in the time periods outlined above were reported to police, but not attended by officers?

We received your request on 23/10/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Please note that this data has been retrieved through a search of our incident reporting system for all road traffic collisions that have taken place within a 100-yard radius of the Draycott Cross Road, Delphouse Road, Brookhouse Road and The Green crossroads.

Please note that this data has been provided to the best of our ability, subject to the limitation of current recording protocols and systems/software. Additional offences/incidents may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

As a consequence, care should be taken in the interpretation and presentation of this data, so as to not misrepresent the whole or any part of the data disclosed.
