FOI Ref 17403

Request - You asked us the following:

- a) the total number of arrests made by your organisation since 1 January 2024
- b) the number of arrests of foreign nationals by your organisation since 1 January 2024
- c) If possible, a breakdown of the alleged crimes committed by arrested foreign nationals since 1 January 2024.
- d) If possible, a breakdown of arrested non-UK nationals by their nationality.

We received your request on 25/10/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Staffordshire Police holds the requested information.

- a) the total number of arrests made by your organisation since 1 January 2024 – **14,111**.
- b) the number of arrests of foreign nationals by your organisation since 1 January 2024 – **1,464**.
- c) If possible, a breakdown of the alleged crimes committed by arrested foreign nationals since 1 January 2024. **Please see the accompanying file titled 'FOI 17403 Foreign National Arrests Data'.**
- d) If possible, a breakdown of arrested non-UK nationals by their nationality.
Please see the accompanying file titled 'FOI 17403 Foreign National Arrests Data'.

Please be advised that the arrest data for foreign nationals has been provided for all detainees where a foreign nationality has been listed on the recording system. Please note that the data has been provided for reason for arrests which may not always be a 'crime'.

Please note that this data has been provided to the best of our ability, subject to the limitation of current recording protocols and systems/software. Additional arrests may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

As a consequence, care should be taken in the interpretation and presentation of this data, so as to not misrepresent the whole or any part of the data disclosed.
