

18 November 2024

FOI Ref 17423

Request - You asked us the following:

I am writing to request information under the Freedom of Information Act 2000. Specifically, I would like to request the following information:

- ☐ How many threats to life warnings have you given since 1st January 2020?
- ☐ Of those threats to life notices given since 2020, how many were for under 18s?
- ☐ Of the threat to life warnings issued to under 18, how many were threats from other under 18s?
- ☐ Did any under 18s receive more than one threat to life warning?
- ☐ What is the gender split of the threat to life notices given to under 18s?

For ease we have produced a small table below which you may find helpful in terms of collating the data.

We received your request on 31/10/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

This is because there is no method by which we can easily extract the requested data from our systems to answer this request. Prior to 10th March 2024, this information was held across a number of Staffordshire Police systems, each requiring manual research and cross referencing to extract numerical data relating to Threat to Life Warning Notices.

To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold and further exemptions may apply.

Freedom of Information Request Appeals Procedure

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker. In more complex cases the review may take up to 40 working days.

The independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
