

Q1. For each council area, I would like a list of each road patrolled by speed watch groups and how many motorists have been caught driving over the limit on each road over the course of the 12-month period.

Q2. I also request the total number of drivers recorded by the group (both under and over the limit) over the same 12-month period.

LPT	Name of Scheme	Road/Street Name	Number of Vehicles (above the threshold)	Volume of Traffic (above and below the speed limit)
