FOI Ref 17521

Request - You asked us the following:

I am writing to request information under the Freedom of Information Act 2000. I would like to request the following information:

Please provide data on the number of recorded incidents of restraining orders taken out by adult children on one, or both, of their parents between 1st January 2021 and 20th November 2024.

If possible, I would prefer the information in a spreadsheet format.

Thank you for your assistance. Please let me know if you need further clarification. I look forward to your response within the statutory framework.

We received your request on 26/11/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there are 375 restraining orders that have been added to our crime/occurrence recording system. In order to ascertain whether the restraining order was taken out by adult children on one or both of their parents, each restraining order would require manual review. Furthermore, from our searches, there are also over 4,000 documents within our crime/occurrence recording system that include the term 'restraining' in the title, which may include an order that would also need to be manually reviewed.

From dip sampling, it has been estimated that it would take approximately 30 minutes to review each restraining order to answer this request, this would equate to over 187 hours. In addition, if each of the 4,000 documents including the term 'restraining' in the title were reviewed, it would approximately take a further 2,000 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.
