We received your request on 24/03/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer parts of this request. For the time period requested, there have been 206 violent occurrences where the suspect has been charged and where they are under the age of 21. In order to ascertain whether the suspects were previously known to the police owing to calls or incidents from their family address, the record for each offence would require a manual review. Each suspects record would need to be reviewed to establish their previous addresses and whether these were family homes and all occurrences linked to that suspect would need to be cross referenced with the addresses also. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 8 minutes to review each record to answer this request, this would equate to over 27 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for questions 1 and 2 if you were to remove the last part from each question regarding the number of those who were known to police owing to calls or incidents logged from their family home.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
