

24 April 2025

FOI Ref 18014

Request - You asked us the following:

I'm writing to you under the Freedom of Information Act 2000 to request the following information from your police force.

The anti-Muslim hate monitoring service Tell Mama has data sharing agreements with various police forces and provides them with regular, I believe they are quarterly, bulletins on anti-muslim hate crimes and incidents.

Please can you provide me with:

1. A copy of all quarterly* bulletins on anti-muslim hate crimes and incident received by your police force from Tell Mama in the calendar year 2024?

(Please note, I've said quarterly bulletins because, as far as I'm aware, this is how regularly they provide bulletins on anti-muslim hate crime and incidents to police forces. However, please provide all such bulletins provided in 2024 even if they were provided over a different time frame, such as once or twice during the year)

We received your request on 25/03/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Any person who has requested information from Staffordshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker. In more complex cases the review may take up to 40 working days.

The independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
