Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Staffordshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

STAFFORDSHIRE
POLICE

foi@staffordshire.police.uk

Or by Post to:

Central Disclosure Unit
Staffordshire Police HQ

ST16 9JZ

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Central Disclosure Unit within two months of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker. The Central Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal
