

3 April 2025

FOI Ref 21165

**Request - You asked us the following:**

In the 2024 calendar year how many juveniles (children aged 10-17 inclusive) did you arrest who had already been arrested at least 49 previous times by your force in their past?

For each individual please state (i) the total number of times they have been arrested by your force, (ii) their age when first arrested, (iii) their age when last arrested and (iv) a breakdown of the offences for which they were arrested.

We received your request on 01/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

**The following exemption has been applied:**

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

**The above information has been withheld for the following reasons:**

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 900 detainees aged 10-17. In order to ascertain whether the detainee had been arrested 49 times previously, and the details of these individuals' arrests, the record for each individual would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 10 minutes to review each record to answer this request, this would equate to over 150 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

**Advice and assistance**

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.

In more complex cases the review may take up to 40 working days.

The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
