FOI Ref 21196

Request - You asked us the following:

I am submitting this request under the Freedom of Information Act 2000 regarding reports of dogs being left in hot vehicles or vehicles on hot days. Please provide the following information:

The number of reports received by your force about dogs being left in hot cars, broken down by year, from 2020 to 2024.

If recorded, how many of these reports specifically mentioned high temperatures or concerns about heat.

The number of incidents where police officers attended the scene.

The number of cases that resulted in enforcement action, such as warnings, fines, or prosecutions.

If you require any clarification, please do not hesitate to contact me.

I look forward to your response within the statutory 20 working days.

We received your request on 07/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For 2024 alone, there are over 260,120 incidents in the time period requested that would need individually reviewing to identify whether they related to a dog being left in a hot vehicle. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 17,341 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
