FOI Ref 21202

Request - You asked us the following:

I would like to request the following under the FOI Act for the years between and including 2019 and 2024.

- The number of out-of-control dog causing injury to a person or guide dog offences
- The number of these offences involving XL Bullies
- The number of dogs seized
- The number of these seizures involving XL Bullies
- The number of dogs destroyed
- The number of these destructions involving XL Bullies

You have 20 working days to respond to this request. As the act says, please inform me how I can amend this if needed.

We received your request on 08/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For question 2, for the time period requested, there have been in excess of 2,500 occurrences. In order to determine the breed of dog involved, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 208 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

In addition, prior to 08/02/2024, information relating to dogs seized and destroyed is not readily available, and would entail the manual search of thousands of records.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If your request was amended, Staffordshire Police would be able to provide the following:

- The number of offences of out-of-control dogs causing injury to a person between 2019 and 2024.
- The number of dogs seized and the number of XL Bullies seized between 08/02/2024 and 12/04/2025.
- The number of dogs destroyed and the number of XL Bullies destroyed between 08/02/2024 and 12/04/2025.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
