FOI Ref 21206

Request - You asked us the following:

What would you like to know?: Can I request the following data:

1. The number of incidents of sex attacks (including rape, sex assault) on sex workers
 - * And the number of incidents that led to a prosecution
 - * And the number of incidents that ended in a conviction
2. The number of incidents of other violent attacks (e.g. common assault, beating, knife/gun attack) on sex workers
 - * And the number of incidents that led to a prosecution
 - * And the number of incidents that ended in a conviction

Could I get this data for the last 3 financial years:

- * April 2022 to March 2023
- * April 2023 to March 2024
- * April 2024 to March 2025

We received your request on 08/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 128,460 occurrences. In order to ascertain whether the 'sex attack' or 'violent attack' involved a sex worker, it would require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 8,564 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Furthermore, Staffordshire Police do not hold conviction or prosecution data. We would advise that you approach the Government HM Courts & Tribunals service website.

Please find below links to previously disclosed HMCTS data and details upon how to submit a further Freedom of Information request to the Government HM Courts and Tribunals Service for this information.
