

23 April 2025

FOI Ref 21230

Request - You asked us the following:

I am writing to request information under the Freedom of Information Act, please can you provide the following:

1. The number of offences of out-of-control dogs causing injury to a person in the last three years (Between April 6th and April 5th 2022/23, 2023/24 and 2024/25). Broken down by year, number of offences, breed of dog, severity of injury and police outcome.
2. The number of dogs seized in the last three years - Broken down by year, by breed and by reason for seizure.
- 2a) The number of dogs destroyed in the last three years - broken down by year, by breed and reason for destruction.

Can this be presented in PDF format if possible.

We received your request on 15/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For question 1, for the time period requested, there have been in excess of 1,600 occurrences. In order to determine the breed of dog and the severity of the injury sustained, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 133 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If your request was amended, Staffordshire Police would be able to provide the following:

- The number of offences of out-of-control dogs causing injury to a person in the last three years (Between April 6th and April 5th 2022/23, 2023/24 and 2024/25), broken down by year and police outcome.
- The number of dogs seized since 08/02/2024 - broken down by breed and by reason for seizure.
- The number of dogs destroyed since 08/02/2024 - broken down by breed and reason for destruction.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
