FOI Ref 21283

Request - You asked us the following:

Please can advise whether your force has received reports / complaints about QR code stickers / adverts promoting drug sales in public places, in the two years to the end of March 2025.

If so, how many incidents have been reported?
Please outline the locations, if possible.

How many arrests have you made in connection with these stickers?
Please outline the nature of the arrest, and whether any arrests have resulted in a charge.

We received your request on 29/04/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 149,000 incidents recorded on our incident recording system, which may involve reports of QR codes promoting drug sales in public places. In order to determine this, the incident record for each report would require manual review.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 7,450 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker.
