FOI Ref 21697

**Request - You asked us the following:**

The Campaign for Racial Justice in Suicide Prevention is writing to request information on the following:

- a) The number of suspected suicides and attempted suicides by ethnicity for the period 2000-2025.
- b) A copy of the ethnicity dataset/codes used in such data recording.

We received your request on 06/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

**The following exemption has been applied:**

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

**The above information has been withheld for the following reasons:**

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 25,840 incidents recorded, in order to ascertain whether each report was due to 'suspected suicides or attempted suicides', the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 1,722 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

**Advice and assistance**

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data could be provided for question 2.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
