FOI Ref 21704

Request - You asked us the following:

I am writing to you under the Freedom of Information Act 2000 to request the following information relating to your police force area:

1. The number of reported incidents of HGV (Heavy Goods Vehicle) fuel theft in your County for each of the past five full calendar years.
2. The number of prosecutions that have resulted from these reported incidents within the same time periods.

If possible, I would appreciate it if the data for each year could also be broken down by month. However, if this is not possible within the cost and time limits of the FOI Act, the annual totals will be sufficient.

We received your request on 07/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 8,030 occurrences where the offence has been recorded as 'theft from a motor vehicle'. In order to ascertain whether this was a Heavy Goods Vehicle and if the theft was fuel, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 535 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Staffordshire Police do not hold conviction data. We would advise that you approach the Government HM Courts & Tribunals service website.

The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
