FOI Ref 21735

Request - You asked us the following:

This is a request under the Freedom of Information Act 2000.

I would like to request the following information:

The number of noise complaints in the last year relating to cars.

We received your request on 13/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 2,270 Vehicle Anti-social behaviours recorded. To determine if the complaint related to a noise complaint of a car, each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 189 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist with your request, you may wish to approach the council for noise complaints data, I have included the government link below which outlines how local councils manage complaints of excessive noise:

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.

In more complex cases the review may take up to 40 working days.
