FOI Ref 21754

Request - You asked us the following:

I'm inquiring under the freedom of information act for some information regarding a police incident at Stafford M1 Services ST15 (southbound)

At approximately 0330 am on the 7th of June there was an incident where police were chasing a suspect.

During this period the exit of the service station was blocked by the suspects car.

I wish for the details of this incident to be disclosed including timings and also that the exit was indeed blocked during this period.

The reason for this request is that the service station is charging me for overstaying my two hour grace period and is charging accordingly, and is not accepting this incident occurred.

We received your request on 15/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 770 incidents. In order to ascertain whether any relate to an 'incident at Stafford M1 Services ST15 (southbound)' would require a manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 4 minutes to review each record to answer this request, this would equate to over 51 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
