

20 August 2025

FOI Ref 21768

Request - You asked us the following:

I am writing to request information under the Freedom of Information Act 2000.

I am seeking information regarding individuals arrested during the public disorder/unrest following the events in Southport in July–August 2024, within your force area. Specifically, for all individuals arrested in connection with these incidents, please provide:

1. The total number of individuals arrested.
2. Of those arrested:
 - o How many had previous criminal convictions.
 - o How many had a criminal record (whether conviction, caution, or other disposal).
 - o How many had previously been arrested (prior to these incidents).
 - o How many had previously been proceeded against (i.e. charged or taken to court).
3. For those with previous convictions, please provide a breakdown by type of offence category (e.g. violence, theft, drugs, sexual offences, public order, etc.).

I am not requesting personal information or any data that would identify individuals. I am seeking only aggregated, statistical information.

If providing all of the above would exceed the Section 12 cost/time limit, please provide as much of the information as can be supplied within the limit, starting with items (1) and (2).

We received your request on 20/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

here is no method by which we can easily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 2,700 arrests, in order to ascertain whether the arrest was related to the Southport unrest, the record for each arrest would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 4 minutes to review each

record to answer this request, this would equate to over 180 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
