

29 August 2025

FOI Ref 21790

**Request - You asked us the following:**

In your police force area, how many incidents of "Asian gold theft" have taken place in 2020, 2021, 2022, 2023, 2024 and 2025 to date.

To clarify: "Asian gold theft" is the theft of gold from Asian families. Criminals are targeting Asian families knowing that many have gold, for cultural reasons.

Please could you specify the number of incidents, and the value of gold stolen if available, per year?

Can you break it down by category too if possible for 1) theft from a person 2) residential 3) commercial

Please could you provide the information in CSV format.

If it's not possible to send all of the above details, can you please send what you have available.

We received your request on 27/08/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

**The following exemption has been applied:**

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

**The above information has been withheld for the following reasons:**

There is no method by which we can readily retrieve information from our systems to answer this request. For one month alone there has been in excess of 980 theft incidents. In order to ascertain whether the items stolen specifically related to 'Asian gold theft' the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record, for one month alone, this would equate to over 81 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

**Advice and assistance**

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
