

2 December 2025

FOI Ref 22104

Request - You asked us the following:

What are the monthly abstraction rates for personnel in each division for the last 12 months.

Because of abstraction, what has been the monthly staffing level percentage for Neighbourhood Policing teams for the past year for each division.

Clarification received on 27/11/2025

What I require is information on either the number of hours or a percentage for officers who were taken from their regular duties on Neighbourhood or community policing teams, in order to cover for absences on Response Teams for any reason, i.e. sickness, training, annual leave over a last available 12 monthly period for which you have figures.

We received your request on 12/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Staffordshire Police (SP) does not hold the requested information.

Please be advised that all Freedom of Information request responses are published on the SP website although personal details are not included.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.
