

8 December 2025

FOI Ref 22179

Request - You asked us the following:

Could you please confirm how suspects have been arrested on suspicion of manslaughter following a suicide after domestic abuse over the past five years? (2020 - 2025, inclusive).

Could you please confirm the status of these investigations in each case? eg. charged, NFA, RUI.

Could you please break these figures down year by year?

Clarification received on 28/11/2025

I've been made aware there is a typo in this. I wanted to know how many suspects have been arrested.

And I'm referring to domestic abuse suicides where a DA victim has taken their own life, and the suspected DA/DV perpetrator has been arrested on suspicion of manslaughter.

We received your request on 27/11/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Staffordshire Police holds the requested information.

- Could you please confirm how suspects have been arrested on suspicion of manslaughter following a suicide after domestic abuse over the past five years? (2020 - 2025, inclusive). – **Disclosed, 2.**
- Could you please confirm the status of these investigations in each case? eg. charged, NFA, RUI. – **Withheld Section 30 (1)(a)(b) and Section 40(2), please see below.**
- Could you please break these figures down year by year? – **Withheld Section 30 (1)(a)(b) and Section 40(2), please see below.**

Please note that there is 1 offence that is still being investigated so with regard to this case we are citing Section 30(1)(a)(b) of the Freedom of Information Act 2000 – Investigations conducted by Public Authorities.

The following exemptions have been applied:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

- Section 40(2) Personal Information

Section 40(2) is an absolute exemption which means that there is no need to quantify the harm that may arise from the disclosure; neither is it subject to a public interest test.

To release personal or third-party information held by Staffordshire Police, would breach the data protection principles; namely –

- Data is lawfully and fairly processed.
- Processed in line with an individual's rights.
- Data is secure.

Personal and third-party information cannot be released under the Freedom of Information Act.

Disclosure under Freedom of Information is a release of information to the world in general and not an individual applicant.

- Section 30(1)(a)(b) – Criminal Investigations

Section 30 is qualified and class based and, as such, we are required to apply the public interest test.

Public Interest Test

Factors favouring disclosure under Section 30(1)(a)(b)

Disclosure of the information would improve the public's knowledge and understanding of the investigatory process and, as all police investigations are publicly funded, would show how public funds are being spent.

Factors favouring non-disclosure under Section 30(1)(a)(b)

Disclosure of the requested information would prejudice how investigations are carried out in the future. Staffordshire Police is charged with enforcing the law, preventing and detecting crime and protecting the communities we serve. Any release of information relating to ongoing investigations could prejudice and undermine those investigations. The prevention and detection of such matters could therefore be hindered and therefore risk interference with evidence, which could have detrimental impact on future investigations. In addition, the right to a fair trial could be undermined.

Balance test

Disclosure under the Freedom of Information Act is a release of information to the world in general and not an individual applicant. Having considered the public interest factors we are required to determine whether on balance the factors favouring disclosure outweigh those which are against disclosure. It is our view that the factors favouring disclosure do not outweigh those which favour non-disclosure.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
