FOI Ref 22237

**Request - You asked us the following:**

1. How many stations have response teams?

2. Can I get the official team names for Response, Neighbourhood, Dogs, Traffic, Firearms.

The reason for this for example is in some forces the Neighbourhood is SNT, NPT, NHT, NST and Response can be Intervention, Emergency Response, Patrol.. the official names your force use.

A example of this is:

Emergency Response Team - London Central Emergency Response Team - London South  
Neighbourhood Policing Team - London Central

(This may be seen as a exemption but, for information, multiple forces have provided that information for example Wiltshire)

3. Does your force utalize area cars? This is "advanced" cars driven by IPP officers.

4. Can I get a list of the stations available AND the area they belong to... i.e.

London Central Station - London Central

London Rural Station - London South.

Staffordshire Police (SP) received your request on 12/12/2026 and have processed this under the Freedom of Information Act (FOIA).

Any person who has requested information from SP, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

### **2. How to Request a Review**

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

[IAT@staffordshire.police.uk](mailto:IAT@staffordshire.police.uk)

Or by Post to:

Information Access Team  
Staffordshire Police HQ  
PO Box 3167  
Stafford

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Information Access Team within two months of the SP response to the original FOI request.

### **3. Review Procedure**

Receipt of a request for review will be acknowledged in writing. The review will be conducted by a supervisor who is independent from the original Decision Maker. The Information Access Team will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to forty working days.

The independent supervisor will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, considering the matters raised by the complaint.

### **4. Conclusion of the Appeal**

On completion of the review the independent supervisor will reply to the appellant with the result of the review. If the appellant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
