

27 February 2025

FOI Ref 17731

Request - You asked us the following:

I am writing to request the following information relating to PND Facial Recognition Searches:

- The number of PND facial recognition searches conducted by your force in each month of 2024
- A monthly breakdown of the reason for these searches
- For searches of images of criminal suspects, a monthly breakdown of the offence types searched for.

I would like all document sent electronically please. Under Section 16 of the Act I also ask that if this request cannot be fulfilled under the legislation, that you offer advice and assistance to help the request comply with the act. I look forward to your response within 20 working days.

We received your request on 27/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer part 3 of the request. For the time period requested, there have been in excess of 1,740 occurrences. In order to obtain a monthly breakdown of the offence types and to extract this data, would entail a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 145 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data could be provided for the number of PND facial recognition searches conducted for each month and the reason for the search. However, please note further exemptions may apply.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
