We received your request on 29/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer questions 6 and 7 of this request. For the time period requested, there have been in excess of 4,370 occurrences. In order to ascertain 'the number of different knives or blades used in offences' and 'how many people have been killed by a knife or blade' would require manual review of each offence. To extract this data would

therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 218 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, data could be provided from 2019 due to MOPI (Management of police information retention guidelines) where a knife crime flag has been applied. Broken down by age, gender and LPT (local policing team) and the offence type. However, please note further exemptions may apply.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
