FOI Ref 17778

Request - You asked us the following:

1. Since 31st December 2023, how many incidents have you attended, that has involved dogs of a banned breed type?
2. Since 31st December 2023, how many dogs have you seized for being a suspected banned breed type?
3. How many banned breed types, have died whilst being held in police approved kennels, since December 31st 2023?
4. How many banned breed types, have been destroyed at the scene of an incident by your firearms officers since December 31st 2023?
5. The cost of policing dangerous dog incidents, has said to have risen since 31st December 2023. The interim exemption scheme is available to all forces, would this be something you would consider implementing to reduce those associated costs?

We received your request on 05/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can easily retrieve information from our systems to answer question 1 of this request. For the time period requested, there have been 590 occurrences listed under 'Owner or person in charge allowing dog to be dangerously out of control'. In order to ascertain whether the dog involved was a banned breed, the record for each offence would require a manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 29 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to refine your request, data can be provided for question 2 from 1st February 2024 due to a change in recording system. Data can also be provided in full for questions 3, 4 and 5.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
