Please note that the data for this request has been retrieved from a search of our crime/occurrence recording systems for the offences of 'manslaughter' and 'causing or allowing the death of a child or vulnerable person' whereby the victim is recorded as being under the age of 18, and a manual search has taken place to identify whether the victim was in the care of an adult under the influence of a Class A drug at the time of their death.

However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

As a consequence, care should be taken in the interpretation and presentation of this data, so as to not misrepresent the whole or any part of the data disclosed.
