

24 February 2025

FOI Ref 17828

Request - You asked us the following:

Under the Freedom of Information Act please can I request the following information broken down by the following calendar years: 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024.

1, How many applications has your force made to local councils to review the licence of a business suspected of selling stolen goods during the calendar years mentioned above.

2, How many of these applications resulted in a licence being permanently revoked.

We received your request on 13/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there are in excess of 5,000 licensed premises in Staffordshire. In order to ascertain whether the business licence was reviewed due to the premises being suspected of selling stolen goods, the record for each premises would require manual review.

From dip sampling, it has been estimated that it would take approximately 1 minute to review each record to answer this request, this would equate to over 83 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

However, you may wish to contact the Local Authority Licensing Teams as they may be able to assist with this request.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
