FOI Ref 17880

Request - You asked us the following:

I am submitting an FOI request below.

Q1) The number of dogs that have been seized under section three of the Dangerous Dogs Act by your police force in the following calendar years:

- a. 2019
- b. 2020
- c. 2021
- d. 2022
- e. 2023
- f. 2024

Q2) Please can you provide a breakdown of the total number of dogs seized in Q1a-f by the breed or type of dog.

We received your request on 25/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 300 occurrences of 'Owner/person in charge of a dog dangerously out of control - no injury - Section 3 and 4 of the Dangerous Dogs Act'. In order to determine whether a dog was seized as a result of this offence, and the breed or type of dog seized, the record for each offence would require manual review. In addition, prior to 2024, the records of dogs seized were held as paper records, and not stored electronically. To extract this data would therefore require a very labour-intensive manual trawl through each record, both paper and electronic.

From dip sampling, it has been estimated that it would take approximately 5-10 minutes to review each record to answer this request, this would equate to between 25-50 hours. To achieve this task would

therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If your request was amended, Staffordshire Police would be able to provide the number of recorded offences of 'Owner/person in charge of a dog dangerously out of control - no injury - Section 3 and 4 of the Dangerous Dogs Act', broken down by year between 2019 and 2024.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
