FOI Ref 17885

Request - You asked us the following:

I am writing to make a request for data, under the Freedom of Information Act 2000.

Splashing pedestrians by driving through standing water is illegal under Section 3 of the Road Traffic Act of 1988.

Please can you provide, for the area covered by Staffordshire Police, the total number of fixed penalty notices and/or offences recorded in 2024 to motorists for splashing pedestrians?

If anything is unclear, or you would like me to refine the request at all, could you please let me know?

We received your request on 25/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 900 incidents that may have been caused by drivers splashing pedestrians which have been reported over the specified time period. There is no offence for splashing pedestrian. Therefore each incident for the offences 'if a person drives a mechanically propelled vehicle on a road or other public place without due care and attention, or without reasonable consideration for other persons using the road' would be required to be reviewed to determine if it conforms to the request. From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 75 hours.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
