

27 February 2025

FOI Ref 17889

Request - You asked us the following:

I would like to request under the Freedom of Information Act Data concerning the theft of dogs within your area over the period 2019-2024.

In particular, I would like this information broken down by LSOA area and by year.

I wish to be able to show the number of dogs stolen by year by LSOA area.

I would appreciate it if the data could be supplied in a CSV format showing the year, LSOA and the number of thefts.

If possible, I would like to know the breed of dog stolen.

We received your request on 26/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 83,390 occurrences of theft. As there is no mandatory field in which to record the animal stolen and this may be recorded within any number of fields within the offence log, each occurrence would require manually reviewing to determine whether the offence involved the theft of a dog. A manual review of each occurrence log would take approximately 3 minutes per record. This would equate to in excess of 4,169 hours; therefore, provision of the data requested would exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

In order to assist in refining your request, The Pet Abduction Act came into legislation on 24th August 2024. Therefore, Staffordshire Police could be able to provide the number of abductions of a pet dog/cat between 24/08/2024 and 31/12/2024 and where this has been recorded as a dog, along with the breed and the Local Policing Team. However, please note further exemptions may apply.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
