FOI Ref 17578

Request - You asked us the following:

We are requesting information from all police forces via FOI requests. Specifically, we are interested in the figures/ information relating to:

- Number of organised crime groups in your force area.
- Where these organised crime groups are distributed in your force area.
- Number of arrests for drug supply offences (both OCG and non-OCG).
- Quantity and type of drug commodity seized (both OCG and non-OCG).

For the years:

2023-2024
2022-2023
2021-2022
2020-2021
2019-2020

We received your request on 16/12/2024 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

This is because on 20th May 2020 Staffordshire Police implemented a new case management system. This system brought data from a number of legacy systems into one to provide a single nominal record, including the custody system. The old custody system has now been decommissioned and as a result there is no search facility to be able to retrieve the requested data. It would entail searching thousands of records to establish if it fitted the criteria of the request. To achieve this task would exceed the 18-hour time and cost threshold stipulated by the Freedom of Information Act.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If the requirement for arrest data for drug supply offences was withdrawn for dates prior to 20th May 2020, Staffordshire Police would be able to provide arrest data for the remaining time periods requested.

In addition, Staffordshire Police do not hold financial year data for question 1, rather a current figure. If this question was amended, we would be able to provide this figure. Staffordshire Police are also able to provide a figure by financial year for the type and number of drugs seized.

Please be aware that further exemptions may apply.
