Staffordshire Police holds the requested information.

- Can you please provide the details of the number of Domestic Abuse Victims reporting to your Police Authority broken down as follows:

As agreed, please be advised ethnic origin has been withdrawn from this request.

Please be advised that the data has been provided for the number of domestic abuse victims, broken down by age, gender and LPT (Local Policing Team) for the 2024 calendar year. However, please note the figures do not correlate, as a repeat domestic abuse victim could call the police more than once in a 12 month period and this may be before or after a birthday, resulting in two separate ages or the incident

could have occurred in different locations resulting in more than one location within the same 12 month period.

Please note that this data has been provided to the best of our ability, subject to the limitation of current recording protocols and systems/software. Additional incidents may have been recorded during these timescales but are awaiting finalisation and input onto these systems and would not be present within this dataset.

Every effort is made to ensure that the data presented is accurate and complete. However, it is important to note that this has been extracted from multiple sources, developed for specific policing purposes, for which data extraction methods have not been specifically designed to directly correlate with the terminology of this request. Therefore, the data presented is subject to the inaccuracies and idiosyncrasies inherent in any large-scale recording system.

As a consequence, care should be taken in the interpretation and presentation of this data, so as to not misrepresent the whole or any part of the data disclosed.
