FOI Ref 17618

Request - You asked us the following:

Please provide me with the following information under the Freedom of Information Act.

How many injuries from dog attacks of any breed have there been in your police force area in the calendar year of 2023 and 2024?

How many injuries from dog attacks from XL bullies have there been in your police force area in the calendar year of 2023 and 2024?

If it is not possible to provide some of the data requested, I would be grateful if you could provide whichever elements of this FOI request are eligible for release.

We received your request on 02/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 1,000 occurrences of an owner or person in charge allowing a dog to be dangerously out of control in any place in England and Wales (whether or not in a public place) injuring any person or assistance dog. In order to determine the breed of dog involved, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 83 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If question 2 was withdrawn, Staffordshire Police would be able to provide a response for the total number of recorded offences of 'an owner or person in charge allowing a dog to be dangerously out of control in any place in England and Wales (whether or not in a public place) injuring any person or assistance dog' for the years 2023 and 2024.
