FOI Ref 17621

Request - You asked us the following:

I am writing to you under the Freedom of Information Act 2000 to request the following information:

The total number of mobile phone thefts in the following years (Jan-Dec):

2022

2023

2024

Number of phones stolen

I would be grateful if you could provide this information in the above formats within an excel spreadsheet. If it is not possible to provide the information requested due to the cost and time involved, please provide advice and assistance, as to how I can refine my request.

We received your request on 03/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 26,000 occurrences which may involve the theft of a mobile phone. In order to determine whether the item stolen included a mobile phone, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 1,300 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.
