FOI Ref 17664

Request - You asked us the following:

Since 2019 how many dog attacks have been reported each year?

What breeds have been recorded as being responsible for attacks reported?

How many reported attacks on humans have been recorded since 2019?

How many reports of dog attacks since 2019 have involved a XL bully breed?

How many reports since 2024 have involved an XL bully type breed?

We received your request on 14/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 2,500 occurrences of the offence of 'Owner or person in charge allowing dog to be dangerously out of control in any place in England and Wales (whether or not in a public place) injuring any person or assistance dog'. In order to establish the breed of dog involved in each of these offences, and whether the dog injured a human or assistance dog, the record for each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 208 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Staffordshire Police would be able to provide the number of recorded offences of 'Owner or person in charge allowing dog to be dangerously out of control in any place in England and Wales (whether or not in a public place) injuring any person or assistance dog' between 2019 and 14/01/2025, broken down by year, if the other questions were withdrawn.

In more complex cases the review may take up to 40 working days.

The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
