

17 January 2025

FOI Ref 17672

Request - You asked us the following:

I would like to ask the following under the Freedom of Information Act. My request relates to road traffic incidents / accidents involving vehicle collision with deer :

- 1) How many deer vehicle collisions (DVCs) has your force recorded since 1 January 2021 to 1 January 2025? Preferably on a month-by-month basis.
- 2) Of those deer vehicle collisions recorded since 1 January 2021 to 1 January 2025, how many did your force attend? Preferably on a month-by-month basis.

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request. I would be most grateful.

We received your request on 14/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 39,400 occurrences. In order to ascertain whether the road traffic collision involved a deer would require manual review of each record. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 3 minutes to review each record to answer this request, this would equate to over 1,970 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.
