

28 January 2025

FOI Ref 17720

Request - You asked us the following:

Could you please tell me what video and audio recordings are held by your force as of the day of this request? I am looking for a list of the type of recordings you hold and am not asking for the recordings themselves. For example, you will hold body worn camera footage, audio from road traffic stops, audio from certain police training courses etc. So I am not just looking for footage obtained by officers while on duty, but also recordings taken for non-investigatory/police enforcement purposes. I know this is quite a broad request so please do come back to me if you seek clarification. Without knowing exactly what you force records, I may struggle to be more specific (without guessing) but I will try.

We received your request on 24/01/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

Staffordshire Police does not hold the requested information.

- Could you please tell me what video and audio recordings are held by your force as of the day of this request? I am looking for a list of the type of recordings you hold and am not asking for the recordings themselves. – **No information held.**

Please note that the Freedom of Information Act 2000 only extends to requests for recorded information. It does not require public authorities to create information to answer questions generally; only if the information is already held in recorded form.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Staffordshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing within two months of the date of receipt of this email, and should be addressed to:

foi@staffordshire.police.uk

POLICE

Or by Post to:

Central Disclosure Unit

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Central Disclosure Unit within two months of the Force's response to the original FOI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing. The review will be conducted by another Decision Maker who is independent from the original Decision Maker. The Central Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
