For 2022:

Please can I have these sent to me electronically on a spreadsheet.

We received your request on 12/06/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 700 incidents/occurrences that may relate to squatting. In order to determine whether the incident or occurrence related to squatting, and whether the squatting occurred in a residential or commercial property or land, the record for each offence would require manual review.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 58 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
