FOI Ref 21478

Request - You asked us the following:

I am requesting information under the Freedom of Information Act 2000 regarding police incidents classified as 'theft of a motor vehicle' where the stolen vehicle was specifically a 'van' or 'light commercial vehicle' (LCV) within your jurisdiction. Please provide the following data for the period January 2020 – December 2024.

Please provide the total number of incidents classified as 'theft of a motor vehicle' where the stolen vehicle was specifically a 'van' or 'light commercial vehicle' (LCV) within your police force area.

I am specifically interested in the theft of vans, and kindly request that you exclude data relating to 'theft from a vehicle' or 'vehicle interference'.

If fulfilling this request exceeds cost/time limits, please advise how it may be refined. I would appreciate the data in CSV or Excel format, if possible.

We received your request on 18/06/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit. Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been 8,670 occurrences of 'Theft of a motor vehicle'. In order to determine whether the vehicle type was a van or light commercial vehicle that was stolen each offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record. From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to 722 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Unfortunately, we cannot suggest a way in which your request could be simplified or pared down in order to bring it within the confines of the time and cost threshold.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
