

3 March 2025

FOI Ref 17890

Request - You asked us the following:

For each calendar year 2020, 2021, 2022, 2023 and 2024, could you tell me:
The number of reported crimes which mentioned 'road rage' or 'aggressive driving' in the MO field of the crime report and the detailed crime type

For each calendar year 2020, 2021, 2022, 2023 and 2024, could you tell me:
The number of road traffic accidents recorded with a contributing factor of 'aggressive driving' (code 601)

We received your request on 26/02/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer part 2 of this request. For the time period requested, there have been in excess of 47,000 road traffic incidents recorded. In order to determine whether the road traffic incident had a contributing factor of 'aggressive driving', the record for each incident would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 3,916 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the Freedom of Information Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

Staffordshire Police would be able to provide the information requested in part 1 of the request, the number of reported crimes which mentioned 'road rage' or 'aggressive driving' in the MO field of the crime report and the crime type, broken down by year between 01/01/2020 and 31/12/2024.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
