FOI Ref 17951

Request - You asked us the following:

Under the Freedom of Information Act, I would like to request the following information regarding violations of Highway Code Rule 57 (failure to properly restrain animals in a vehicle):

1. The total number of fines issued for breaches of Rule 57 over the last 3 years.
2. The total revenue generated from these fines for each year.
3. A breakdown of the types of animals involved in these violations.

For clarity, I would appreciate it if the breakdown could include:

- The specific type of animal involved (e.g., dogs, cats, other pets).
- The number of fines issued for each type of animal.
- The revenue generated from fines related to each type of animal.

Please provide this data separately for each year so that a year-on-year comparison can be made.

I would appreciate it if this information could be provided in a digital format, such as a spreadsheet or document, for ease of analysis.

If one part of the request can be answered sooner than the others, please send that information first, followed by any subsequent data.

If it is not possible to provide any of this information due to exceeding the appropriate cost limit outlined in Section 12 of the Freedom of Information Act, please advise what information could be provided within the limit.

If you need any clarification or have any questions regarding this request, please don't hesitate to contact me.

We received your request on 12/03/2025 and have processed this under the Freedom of Information Act (FOIA).
