FOI Ref 17995

Request - You asked us the following:

I am requesting information under the Freedom of Information Act 2000 regarding incidents of public indecency recorded by your force. Please provide the following details for all recorded incidents of public indecency from 1st January 2022 to the present date:

1. A breakdown of the nature of each public indecency offense, including but not limited to:
 1. Public sexual acts (including specifics such as intercourse, oral, or anal sex)
 2. Indecent exposure/flashing
 3. Public masturbation
 4. Other forms of public indecency (please specify)
2. The date and time of each recorded incident.
3. The specific location of each incident (e.g., park, street name, shopping area, public transport).
4. The outcome of each case, including:
 1. Arrests made
 2. Cautions issued
 3. Charges brought and case outcomes (conviction, dropped, ongoing investigation, etc.)

If any of this information is exempt from disclosure, please provide a partial response with the available details. If my request exceeds the cost limit, please let me know how it can be refined to remain within the limit.

I would appreciate receiving this information in a digital format such as an Excel or CSV file if possible.

We received your request on 21/03/2025 and have processed this under the Freedom of Information Act (FOIA).

Staffordshire Police's response to your enquiry is as follows:

In accordance with Section 17(1) of the Freedom of Information Act, this letter represents a refusal notice for this particular request.

The following exemption has been applied:

- Section 12(1) where the cost of compliance exceeds the appropriate limit.
- Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the prescribed limit'.

The above information has been withheld for the following reasons:

There is no method by which we can readily retrieve information from our systems to answer this request. For the time period requested, there have been in excess of 1,100 occurrences of 'Exposure' or 'Committing or conspiring to commit an act outraging public decency'. In order to break down the nature of each of these offences and provide an exact location where the offence took place, the record for each

offence would require manual review. To extract this data would therefore require a very labour-intensive manual trawl through each record.

From dip sampling, it has been estimated that it would take approximately 5 minutes to review each record to answer this request, this would equate to over 91 hours. To achieve this task would therefore exceed the 18-hour time and cost threshold of the FOI Act by some considerable margin.

Advice and assistance

Section 16 of the Act places an obligation upon the Authority to provide advice and assistance, in order to comply with this obligation please see below.

If your request was amended, Staffordshire Police would be able to provide the following information:

- The number of 'Exposure' and 'Committing or conspiring to commit an act outraging public decency' offences recorded between 01/01/2022 and 21/03/2025, broken down by date/time, area in which the offence was committed, and the outcome of each offence. Please note that Staffordshire Police do not hold conviction data.
- The number of arrests for 'Exposure' and 'Act of outraging public decency' between 01/01/2022 and 21/03/2025.

Please be advised that all Freedom of Information request responses are published on the Staffordshire Police website although personal details are not included.
